## **DETAILED ACTION**

Receipt and entry of the amendment dated 9/16/2011 is acknowledged.

### ***Claim Rejections - 35 USC § 102***

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claims 1, 3, 4, 6-10, 19, 46 and 47 are rejected under 35 U.S.C. 102(a) as being anticipated by Guy (WO 02/094862, 11/28/2002). This rejection is maintained for reasons set forth in the Office Action dated 3/16/2011, and for reasons set forth below.

Regarding the claim amendments, Guy teaches the invention to be useful for treatment of scars, considered a "wound" absent any limiting definition in the specification, and for diseases associated with artery blockage, also considered a "wound". See in particular page 24, lines 5 to 19.

### ***Response to Arguments***

Applicant's arguments filed 9/16/2011 have been fully considered but they are not persuasive. Applicants essentially assert that Guy is silent regarding the afflictions recited in the amended claims. Such is not convincing for the reasons set forth above, as the teachings of Guy are not so limited as applicants assert.

***Conclusion***

No claims are allowed.

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
